In addition, there will be two half scholarships awarded from the Elliot L. Dunn Memorial Fund to USYers (2) who have shown strong leadership qualities in their chapter and the region, and who are in need of financial assistance. Elliott was an active USYer from Canton, having served three years on his chapter board, including chapter President. Elliott also co-chaired NERUSY's Spring Convention and received the Mel Goldman Award for individual excellence in 1985. Sadly, Elliott struggled with depression the last few years of his life, and lost this battle in December of 1997.
