Membership Agreement:

As a representative of the Temple Emunah community, I recognize my need to observe appropriate behavior at all times. I agree to be considerate of my peers and the Youth Department staff and I will follow all rules as set at the beginning of each program. While participating in a Temple Emunah sponsored youth activity, I will follow the Jewish ritual laws regarding Kashrut and Shabbat and I will refrain from the unlawful use of drugs, alcohol and tobacco. I understand that if I don't abide by these criteria it may result in disqualification from attending future youth events.
