## Membership Agreement:

As a representative of the Temple Emunah community, I recognize my need to observe appropriate behavior at all times. I agree to be considerate of my peers and the Youth Department staff and I will follow all rules as set at the beginning of each program. While participating in a Temple Emunah sponsored youth activity, I will follow the Jewish ritual laws regarding Kashrut and Shabbat and I will refrain from the unlawful use of drugs, alcohol and tobacco. I understand that if I don't abide by these criteria it may result in disqualification from attending future youth events.

NOTE: As in previous years, we ask your help in adhering to the RSVP policy set by the Youth Department. This will ensure adequate food, transportation and most importantly, the safety of youth members during events.
